

## Purpose

*Farm City Fun Fest provides children, adults, farmers, and urban growers with an opportunity to learn about local Farmers Markets, Roadside Stands, and buying fresh, local produce. We want to showcase how locally produced goods can fit into our area economy.*

Children learn how much strength is needed to escape a gravity bin full of grain.

# Farm-City Fun Fest

Farm City Fun Fest will be an Agricultural Field Day focusing on how

local consumers can connect with local producers to be able to purchase locally produced products. Consumers are concerned about where their food comes from and we can show you where some of your food comes from at this field day. There will also be farm and home safety demonstrations. Participants will need to dress for the outdoors and weather conditions. The Exhibits and Demonstrations will begin at 5:15 p.m.
