Qualifications. The Green Fleet Program is based on an 18-point system. Requirements: To qualify, a retail customer must have a single, initial purchase of eligible products that total 18 points. The qualifying purchase order must include 12 points of discount qualifying products to be eligible. Once qualified, all subsequent purchases of eligible products (single or multiple units) by the same customer during the following 12 months will qualify for the discount in effect at the time of the subsequent purchase.
